HOW TO BUY

One brief. One basket. One accountable studio.

01

Browse

Search 16,227 customer-facing SKUs by product, code, division or practical category.

02

Configure

Review published prices, images, stock status and colour options across 6,191 configurable products.

03

Combine

Add as many products and services as the job requires. Quantity pricing steps down at 10, 20 and 50 units.

04

Submit

Complete the required request details once, then send the full RFQ directly to info@sfmprintingstudio.co.za.

PRICING BASIS

Unit prices exclude VAT. A minimum job value protects short runs. Higher quantities reduce the handling allocation per unit. Installation labour is added automatically where the selected service requires it; the final route is confirmed after site and artwork review.

16,069 catalogue products currently carry approved imagery

PRINT, SIGNAGE AND BRANDING

Production capability from artwork to installation.

01 Commercial print

Manuals, annual reports, publications, flyers, posters, folders, labels, invoice books, notepads and short-run collateral.

02 Signage and display

Pull-up banners, wall banners, event displays, boards, directional signs and large-format environmental graphics.

03 Vehicle branding

Decals, partial wraps, full wraps and fleet branding, with installation labour calculated as a required service component.

04 Graphic design

Logos, corporate identity applications, annual reports, publications, business cards, letterheads, invitations and campaign assets.

05 Communications

Content development, media monitoring, media planning and buying, and production-ready campaign support.

06 Fulfilment

Stock confirmation, branding route, artwork proofing, production, quality control, packing, delivery and installation coordination.
